

Vacancy

Position: Finance Manager

Salary: Circa £40,000 a year

Job type: Permanent

Summary

- An opportunity to join a company with huge growth plans in an emerging technology space
- This is a key role as part of the Company's UK Leadership Team

About the Company

Getmapping is a leading provider of geospatial services across the UK and Ireland, and operates a wholly owned subsidiary in South Africa. Geospatial data and solutions are rapidly becoming recognised as a key technology enabler for digital transformation, leading to huge growth opportunities through the emergence of new markets for data and services.

The role presents a unique opportunity to help develop and execute the company's strategy for growth in an exciting emerging technology space.

Job Description

- Provide insight and analysis to stakeholders within the business on critical business metrics
- A focus on continuous improvement of business workflows
- Find imaginative ways to harness available data from finance systems to provide valuable and actionable insight
- Support the preparation of pricing for bids and quotes to ensure their commercial efficacy
- Support the development of new products and services to help ensure their commercial success

- Support the Head of Region in measuring performance and identifying areas for improvement
- Oversee the preparation of month-end management accounts
- Analysis and reporting of monthly Profit and Loss account movements with full ownership of balance sheet and reconciliation
- Deal with internal and external audit queries
- Provide support to the Finance team with day-to-day queries and talent development

The Successful Applicant

- Qualified member of an accountancy body or holder of an equivalent qualification (ACA/ACCA or CIMA)
- Organised worker, who is goal orientated and possesses the intellectual curiosity to be both a challenger and a problem solver
- Ability to work independently, but also be a 100% team player
- Someone who has some of the answers and is curious to discover what they are missing to ensure that the company gets the best outcomes
- Strong attention to detail with excellent administration skills, but the ability to step back and take a strategic view as well
- Ability to communicate effectively to internal and external stakeholders
- Ability to identify areas for possible improvement
- Strong technically and fully conversant with UK GAAP & IFRS
- Good knowledge of Microsoft Office, particularly Excel and PowerPoint
- Knowledge of Xero and Salesforce advantageous, but experience of some accounting and CRM software essential

What's on Offer

A fantastic opportunity to add value to an exciting growth business with exponential progression opportunities. “Know-it-alls” need not apply, but we do want someone who is excited by the role, passionate about helping deliver the company’s vision and looking for the next challenge in progressing their career. The successful candidate should want to be stepping up to a Finance Director role within the next two years and we will help you get there, ideally with us!

The company offers:

- 25 days annual leave plus a day off for your birthday
- Flexible working including a mixture of home working and office attendance
- Modern offices in Fleet close to major communication routes
- Company pension scheme
- Company bonus scheme
- A company that is passionate about creating a good work/life balance
- A great place to work (well we like to think so anyway!)

Please email your CV and a covering letter to careers@Getmapping.com. Applicants with longer (e.g. 3 month) notice periods will not be disadvantaged – we want the best candidate not an immediate solution.
